Reflecting on America's 250th

Join the Museum of Miami's Resident Historian, Dr. Paul S. George for an evening of guided conversation and reflection centered around the 250th anniversary of the United States of America. Hear stories of our nation's founding within the context of the era and how this pivotal moment in history continues to inspire us today. Gain new insights and understanding through this interactive discussion.

Paul S. George, Ph.D.,
Resident Historian, Museum of Miami

Paul S. George is an award-winning author, Miami native, and former college professor; and currently serves as Resident Historian of the Museum of Miami (formerly HistoryMiami Museum), a Smithsonian Affiliate located in downtown Miami, where he engages Miami's vibrant communities through stories of its layered past.
